Education

RV College of Engineering **2024 – 2028**
Bachelor of Engineering in Electronics and Communication (CGPA: 8.5/10) *Bengaluru, India*

Narayana PU College **2023 – 2024**
Class XII (90%) *Bengaluru, India*

National Hill View Public School **2021 – 2022**
Class X (90%) *Bengaluru, India*

Relevant Coursework

- Object-Oriented Programming
- Database Management Systems
- Web Technologies
- Digital Electronics
- Microcontrollers
- Verilog HDL

Projects

Hardware-Based Memory Controller with Data Bus Inversion (DBI) | *Verilog HDL, Digital Design* **2025**

- Designed a memory controller implementing Data Bus Inversion (DBI) to reduce switching activity and lower power consumption during data transmission.
- Developed and simulated the architecture using System Verilog to analyze performance and bit transition reduction by 35% and the dynamic power consumption by 28%

Dual-Mode Personal Portfolio Website | *React, Vite, Framer motion, GSAP, Tailwind, CSS* **2026**

- Built a fully responsive dual-sided portfolio with a 3D card-flip toggle between an oscilloscope-themed engineering view and an editorial scrapbook art view, each with distinct visual identities and typography.
- Engineered interactive electronics elements including a hoverable SVG breadboard circuit that maps skill categories to components, a live-probe waveform, and a logic gate easter egg.
- Implemented scroll-triggered animations, GSAP floating annotations, a CSS stroke-draw sketchbook illustration, and mobile shake detection for a hidden easter egg.

Technical Skills

Programming Languages: C, C++, Java, Python, JavaScript, TypeScript, SQL
Databases: MySQL
Web Development: HTML, CSS, React.js, Node.js, Bootstrap
Hardware & Embedded: Arduino, Verilog HDL, Digital System Design, Embedded Basics
Tools & Platforms: Git, GitHub, Visual Studio Code, MS Excel, LaTeX, Figma

Leadership / Activities

Chimera Formula E Student Team **2024 – Present**
Management Division Member *RVCE*

- Contributed to team coordination, communications, and project organization for a student-led electric vehicle initiative.
- Collaborated across technical and management teams to support execution of large-scale engineering projects.

Sattva Art Club **2025 – Present**
Social Media Head *RVCE*

- Led creative strategy and content design to enhance digital presence and student engagement.
- Designed promotional materials and managed social media campaigns to increase visibility.

Volunteering Activities
Govt. School, Amrutha Shishu Nivasa, People for Animals *Bangalore*

- Volunteered 30 hours teaching at a Government School and 40 hours at an Orphanage.
- Participated in care-taking, record-keeping, rescues and adoption-support at Animal Rescue center
